THE ECHO OF EDUCATION

FOR ECHO WORLD

IN producing this book the central purpose has been to give equal representation to every person and organization which is a part of this college. . . The production of a school annual is an arduous task under normal conditions; it is especially difficult in these present times. . . If you, kind reader, find fault with this book, pause and ask yourself if you have cooperated in every possible way to make this 1933 Echo a success.

Glad Remembrances

A PAUSE, silence, thoughts of yesterdays,
Shall I recall them through picture, poem and sketch?
Why not? The day is done and I seek ease from toil.
Here is my best friend's face and name.
'Twas he who pushed aside the chalice of my grief
And threw the contents to the winds with hearty laughter.
Here are the walks we strolled together,
Feeling as one with Joseph Baldwin and the distant stars.
And here's that cynic's face, but what a kindly heart!
And here's the one who thought he knew so much,
But with jest and jibe we brought him low.
Here are my teachers, guides and counsellors,
Here is the editor, who with boundless zeal
Gave all his days and nights to make this book.
All, all, in my memories of yesterdays,
Yet all so finely woven into my to-morrows
That every child shall know my glad remembrances.

—Eugene Fair.

Student Council

THE STUDENT COUNCIL is an organization elected by the student body, for the purpose of cooperating with the faculty to develop a greater student interest in the various activities on the campus. It is a medium through which the students express their opinion in formulating their policies, as long as they are in harmony with the administration.

The Student Council is composed of two representatives from each class, an upper Councilman and upper Councilwoman, a President, Vice-President, Treasurer, and a Secretary.

Blue Key

OBJECTIVES OF ORGANIZATION AND REQUIREMENTS FOR MEMBERSHIP

THE BLUE KEY FRATERNITY, known as the "College Man's Rotary Club," bears the same relation to the college that the Rotary Club bears to the community at large. Blue Key was founded at the University of Florida in the Fall of 1924. The decision to expand into a national fraternity was made in February, 1925, and now there are chapters in sixty colleges and universities throughout the United States. The chapter at the Northeast Missouri State Teachers College was organized December 9, 1926.

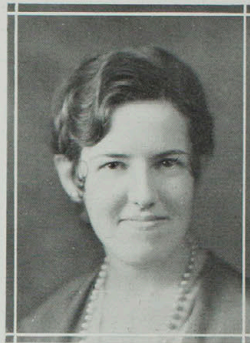

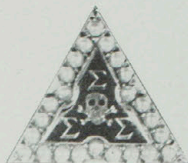

Membership is based on the following qualifications: (1) Scholarship; (2) Interest and affiliation with school activities; (3) Personality, and (4) Moral standing. It is limited to twenty members having thirty hours of credit in this institution.

THIS organization was formed in 1905 by the following men: Dr. Eugene Fair, Professor J. T. Vaughn, Representative E. O. Jones, Superintendent Chas. Banks, and J. H. McKinney. Every two weeks meetings were held at ten o'clock on Saturday. The meetings were two hours in length. The programs, consisting of a worthwhile discussion by one of the members, were planned many months in advance. Each member of the Society was expected to contribute some thought to the subject in the round table discussion. With the exception of a very few years, the Society has been active, and now as then has maintained a high standard in its programs.

THE NORTHEAST MISSOURIAN, formerly the *Index*, has just closed its twenty-fourth year as the college newspaper. The name, *Northeast Missourian*, was officially adopted in July, 1931, by an unanimous vote of the Student Council, as distinctly representative of the college and the Northeast Missouri District. The paper is published primarily for the students, alumni, and patrons of the college. Its platform is "to give views clearly and impartially; to consider all sides of the issue; to give the news." The material is written by members of the newswriting classes of the college.

FOOTBALL SQUAD

Football, 1932

THE 1932 football season started September 5. About 70 college men reported for practice to try for varsity positions. Among the men of this squad there were 15 letter men who had fought under the Bulldog colors before. Many plucky freshmen recruits, however, gave them a hard run for the varsity positions.

At the close of the season 29 men won letters, 14 of whom were freshmen.

This 1932 football squad played through the entire season untied and undefeated, thus setting a new record in football history of K. S. T. C. They won the M. I. A. A. and were one of the few college teams in the country that went through the entire season undefeated.

BASKETBALL SQUAD

Basketball, 1932-33

THE 1932 basketball season started in November with the beginning of the winter quarter. Only five of the thirty men who reported for practice were letter men. Some of the freshmen pushed these lettermen so hard that some of them were unable to hold their positions throughout every game during the season.

Nine men made letters at the end of the season.
